AIDS/HIV: The project involves AIDS or HIV research.

Cancer: The project involves cancer research.

Vaccine: The project involves the development of a vaccine or testing the effectiveness of a vaccine.

Maryland: The project is focused on the State of Maryland.

Baltimore: The project is focused on the city of Baltimore.

Career Award: The project will be performed by beginning investigators and is specifically aimed at getting the PI's career started. It includes NIH “K” awards, NSF Career awards, ONR’s Young Investigator awards, and similar programs from foundations.

International Programs: The project will be performed outside the United States, or by foreign nationals working outside of the United States.

Foundation Relations: The sponsor or prime sponsor is a foundation.

HIPAA: The participants need to sign a HIPAA form.

Confidentiality Agreement: This code should be used for a Negotiation Only record when a non-disclosure agreement or Confidentiality Agreement is being negotiated or used on another type of proposal development record if a confidentiality agreement is already in place with the sponsor at the time of proposal.

DO NOT USE – No Longer Applicable

ARRA: The project is funded or proposed for funding under the American Recovery and Reinvestment Act.

Master Agreement: This code should be used for an agreement that will be a master agreement including all the terms that will govern future task orders. Please reference the master agreement scenarios directive. (Add link to that document.)

IPA: This code should be used for an inter-governmental personal agreement. An IPA should be referenced in a Negotiation Only record when a JHU researcher is being paid by a government sponsor to work at that agency.

Competitive Supplement: Additional money is being requested for an already funded project. Competitive revisions require peer review. NSF’s REU or RET supplements are examples.

Administrative Supplement: Additional money is being requested for an already funded project, but requires no peer review, just agency personnel.

No-Cost Extension: Requesting additional time to complete a project and no additional money is requested. The proposal type would be Administrative Action.
