The purpose of this announcement is to reduce HIV incidence and mitigate the impact of HIV in South Africa through the advancement of HIV prevention, care, and treatment services and interventions for key populations:

1. Sex workers (SW) - $14 – $15.5 million
2. Men who have sex with men (MSM): $14 - $15.5 million
3. Transgender (TG) individuals: $2 - $4 million

The Activity supports the implementation of the President’s Emergency Plan for AIDS Relief (PEPFAR) in South Africa, the Government of South Africa’s (GoSA) National Strategic Plan (NSP) on HIV, TB and STIs (2017-2022), the South African National Sex Worker HIV Plan (2016-2019), and the South African National Lesbian, Gay, Bi Sexual, Transgender HIV Framework (2017-2022).

Eligibility & Requirements:
1. Cost share of at least 5% of the funding is required.
2. Applicant may submit only one application per target population.

Interested applicants should submit the following documents:
1. JHU Limited Submission Cover Sheet
2. Proposal (maximum of two pages of text only, single spaced: 12-pt font and one-inch margins) (Note: figures, tables, and other reference material may be included in addition to the 2 pg. text limit)
3. Curriculum Vitae of investigator, including current external research support and publications
4. Budget (two pages maximum)
