The purpose of the FP&S Grant Program is to enhance the safety of the public and firefighters with respect to fire and fire-related hazards by assisting fire prevention programs and supporting firefighter health and safety research and development.

FP&S Grants are offered to support projects in two activities.

- Fire Prevention and Safety (FP&S)
- Firefighter Safety Research and Development (R&D)

Eligibility & Requirements:

- Applicants may submit an application for up to three projects under each activity (FP&S and R&D).
- Applicants applying for funding under both the FP&S and R&D Activities must do so within the same application.
- An eligible applicant shall agree to make available non-federal funds to carry out such activity in an amount equal to and not less than 5% of the grant awarded. The cost share is automatically calculated by the eGrant system in the Budget section of the application.

Internal Nomination Process:

Interested applicants should submit the following documents:

1. JHU Limited Submission Cover Sheet
2. Proposal (maximum of two pages of text only, single spaced: 12-pt font and one-inch margins) (Note: figures, tables, and other reference material may be included in addition to the 2 pg. text limit)
3. Curriculum Vitae of investigator, including current external research support and publications
4. Budget (two pages maximum)
