Limited Submissions
Sponsor: Oak Ridge Associated Universities (ORAU)
Program: ORAU Events Sponsorship Program

Estimated Award Amount: $4,000 (direct costs only)
JHU Nomination Limit: 1

For More Detailed Information Click Here

Opportunity Summary:
ORAU Places Great Emphasis on Building Partnerships for Innovation. From our 121-member university consortium to our strategic partnership with Oak Ridge National Laboratory (ORNL), we bring together university faculty and students to collaborate on major scientific initiatives that help keep America on the leading edge of science and technology.

In addition, ORAU leverage the collective capabilities of our university consortium by partnering with other national laboratories, government agencies, and private industry to:

- Strengthen America’s scientific research and education enterprise to enhance global competitiveness
- Build public trust and confidence in the management of worker health and environmental clean-up initiatives
- Enhance our nation’s preparedness to respond to emergencies related to terrorist incidents, natural disasters and health threats

The ORAU Events Sponsorship Program calls for proposals requesting up to $4,000 to support events which involve participants from more than one ORAU institution. Examples of such events include visits to an ORAU institution by a renowned speaker, conferences or workshops with a focused theme, or a technology transfer/business plan competition. New events have preference over events that are on-going annual events with an established financial model. Preference will be given to events in STEM disciplines.

Eligibility & Requirements:

- Events must take place between October 1 – March 31, 2019.
- Event participation by more than one ORAU institution (however, one ORAU member will submit the proposal and handles the funds).
- A representative from ORAU must be invited to the event and will attend, if possible.

Internal Nomination Process:
Interested applicants should submit the following documents:

1. JHU Limited Submission Cover Sheet
2. Proposal (maximum of two pages of text only, single spaced: 12-pt font and one-inch margins) (Note: figures, tables, and other reference material may be included in addition to the 2 pg. text limit)
3. Curriculum Vitae of investigator, including current external research support and publications
4. Budget (two pages maximum)
