For More Detailed Information Click Here

Opportunity Summary:
Nurturing and maintaining strong relations with the academic community is a top priority at Google. The Google PhD Fellowship Program was created to recognize outstanding graduate students doing exceptional work in computer science and related research areas.

Google PhD Fellowships directly support graduate students as they pursue their PhD, as well as connect them to a Google Research Mentor.

- Algorithms, Optimizations and Markets
- Computational Neuroscience
- Human Computer Interaction
- Machine Learning
- Machine Perception, Speech Technology and Computer Vision
- Mobile Computing
- Natural Language Processing (including Information Retrieval and Extraction)
- Privacy and Security
- Programming Technology and Software Engineering
- Quantum Computing
- Structured Data and Database Management
- Systems and Networking

Eligibility & Requirements:

- Full-time graduate student pursuing a PhD.
- Completed graduate coursework by the Fall of the award year.
- Google employees, and their spouses, children, and members of their household are not eligible.
- Student may not hold a comparable industry award.
