Opportunity Summary:
This NOFO is intended to support research on lupus through a 2-component cooperative agreement:

Component A - $2,7000,000 (Longitudinal Studies of Lupus in Population-based Cohorts of Adults with Lupus: 3 Year Follow up):
This is a longitudinal follow up study designed to support an established, US-based, population based cohort of adults age 18 and older with diagnosed lupus (systemic lupus erythematosus {SLE} and skin lupus) that includes follow up data collected at least once since 2015. The intent of this study is to conduct data collection, building upon the cohort and initial follow up activities.

Component B - $2,400,000 (A Pediatric Lupus Registry with Longitudinal Follow up):
This is a project that will support an existing US-based registry of children age 0-17 years with diagnosed lupus (SLE and skin lupus). The intent of this study is to gather baseline for children age 0-17 years and follow up data for this cohort for three additional years.

Eligibility & Requirements:
Component A:
• Applicant must have an existing U.S. population-based cohort with > 400 adults ages 18 and greater at baseline, with SLE and/or skin lupus.
• Applicant must have at least 4 years of follow up at time of application for the four content areas listed in the Approach section (natural history, treatment, health care access, and disparities).
Component B:
• Applicant must have access to an existing cohort with 200+ diagnosed U.S. lupus patients ages 0-17 years at baseline in an area that is geographically population-based.

Internal Nomination Process:
Interested applicants should submit the following documents:

1. JHU Limited Submission Cover Sheet
2. Statement identifying which Component you are applying to
3. Proposal (maximum of two pages of text only, single spaced: 12-pt font and one-inch margins)
   (Note: figures, tables, and other reference material may be included in addition to the 2 pg. text limit)
4. Curriculum Vitae of investigator, including current external research support and publications
5. Budget (two pages maximum)
