Limited Submissions

Sponsor: National Science Foundation (NSF)
Program: Inclusion across the Nation of Communities of Learners of Underrepresented Discoverers in Engineering and Science (NSF INCLUDES) NSF INCLUDES Alliances

Estimated Award Amount: $12,500,000
JHU Nomination Limit: 1
For More Detailed Information Click Here

Deadlines:
Internal Application: February 28, 2019
Full Application: April 2, 2019

Opportunity Summary:
NSF is introducing opportunities for successful Design and Development Launch Pilots to build upon their achievements and propose an NSF INCLUDES Alliance that has the potential to substantially broaden participation in STEM fields. Alliances will use lessons learned, promising practices, and evidence-based mechanisms from the Design and Development Launch Pilots; the science of broadening participation literature; and the research and evaluations from past and present efforts related to broadening participation in STEM. Alliances will take the collaborative change strategies started through the Design and Development Launch Pilots and employ them at a larger scale.

The NSF INCLUDES approach requires that each Alliance focus not only on its own vision and goals, but also work with other organizations within the NSF INCLUDES National Network. NSF INCLUDES aims to systematically build a network that will mobilize communities with evidence-based strategies for broadening participation in STEM opportunities, bringing renewed emphasis and resources to increase diversity across and within STEM fields at scale.

Eligibility & Requirements:
- NSF INCLUDES Alliance proposals must be built upon a foundation developed by one or more NSF INCLUDES Design and Development Launch Pilot project(s).
- At least one Principal Investigator or Co-Principal Investigator from an NSF INCLUDES Design and Development Launch Pilot must be included as a PI/Co-PI on the Alliance proposal.
- An individual may serve as a PI or Co-PI on only two (2) NSF INCLUDES Alliance proposals.

Internal Nomination Process:
Interested applicants should submit the following documents:

1. JHU Limited Submission Cover Sheet
2. Proposal (maximum of two pages of text only, single spaced: 12-pt font and one-inch margins)  
(Note: figures, tables, and other reference material may be included in addition to the 2 pg. text limit)
3. Curriculum Vitae of investigator, including current external research support and publications
4. Budget (two pages maximum)
