

Due to the COVID-19 outbreak, there are [several updates](#):

1. The VPR anticipates no disruption in service for [research administration support activities](#) across the university.
2. NIH has released a [late application policy](#) and other [guidance updates](#);
3. DOE is requesting the research community send input on [strategic, priority research directions](#) that may be undertaken using DOE resources.

The [Office of the Vice Provost for Research \(VPR\)](#) is pleased to announce the following Limited Submission opportunities available to the Johns Hopkins University community.

Limited Submissions are funding opportunities in which federal and private sponsors limit the number of proposals from an institution. An internal competition is held in order to select the most competitive proposal(s) on behalf of the University.

Applications are due by 11:59pm on the internal application deadline specified. For more information, please contact us at resapp@jhu.edu.

To see the most updated information on all current limited submission opportunities, please visit our [website](#).

PLEASE NOTE: A Coeus record should NOT be created for an internal application to a limited submission opportunity until selected as a JHU nominee.
