JHU Nomination Limit: 6 (one per discipline)
For More Detailed Information Click Here

Deadlines:
Internal Application: September 22, 2020
Full Application: October 15, 2020

Opportunity Summary:
The Johnson & Johnson Scholars Award Program aims to fuel development of female STEM2D leaders and feed the STEM2D talent pipeline by awarding and sponsoring women at critical points in their careers, in each of the STEM2D disciplines: Science, Technology, Engineering, Math, Manufacturing and Design.

The awards will fund one woman per discipline who has completed her advanced degree, who is working as an assistant professor and who is not yet tenured at an accredited university or design institution. The goal is to fuel the research passion of the awarded women and inspire career paths in their respective STEM2D fields.

Eligibility & Requirements:
- You must be a woman working in the field(s) of Science, Technology, Engineering, Mathematics, Manufacturing and Design (STEM2D)
- You must be an assistant female professor or global equivalent faculty position at the time of application at an accredited academic university, institution or design school.
- The female scholar should have a minimum degree for the appropriate field:
  - Science; M.D., Ph.D.
  - Technology; Ph.D.
  - Engineering; Ph.D.
  - Math; M.S., Ph.D.
  - Manufacturing; Ph.D.
  - Design; M.A., M.S., MDes, March, MFA, MLA, Ph.D.

Internal Nomination Process:
Interested applicants should complete their application at the following link: https://jhu.infoready4.com/#competitionDetail/1822373.

1. Statement of 1000 words or less detailing your proposed area of research. One additional page can be added for images, or references.
2. CV (three pages, font size 11), including a list of publications, presentations, abstracts, current financial support already obtained, other folio work and two references.
3. Letter of recommendation from department chair. **NOTE: Applicants must request their letter through the application portal link above.**
