Did you know? The NSTC-approved Common Forms for the Biographical Sketch and Current and Pending (Other) Support which are compliant with the new NSF Proposal and Award Policies and Procedures Guide (PAPPG) (NSF 24-1), are now available in SciENcv. These revised formats will be required for NSF proposals submitted or due on or after May 20, 2024.

The **Office of the Vice Provost for Research (VPR)** is pleased to announce the following Limited Submission opportunities available to the Johns Hopkins University community.

### NEW OPPORTUNITIES FOR APRIL 29, 2024

<table>
<thead>

</tr>
<tr>
<td></td>
<td>Individual Biomedical Research Award Program</td>
<td>3</td>
<td>$300,000</td>
<td>6/13/2024</td>
</tr>
</tbody>
</table>

*Limited Submissions are funding opportunities in which federal and private sponsors limit the number of proposals from an institution. An internal competition is held in order to select the most competitive proposal(s) on behalf of the University.*

Applications are due by 11:59pm on the internal application deadline specified. For more information, please contact us at resapp@jhu.edu.
To see the most updated information on all current limited submission opportunities, please visit our website.

**PLEASE NOTE:** A Coeus record should NOT be created for an internal application to a limited submission opportunity until selected as a JHU nominee.
